

SANTA CRUZ MID-COUNTY GROUNDWATER AGENCY GROUNDWATER MODEL ENRICHMENT SESSION

Monday, February 11, 2019

5:00 – 7:00 p.m.

The public is invited to view/participate in this webinar. You may join the information session online or you may view the webinar in-person at the viewing location listed below. A majority of the Santa Cruz Mid-County Groundwater Agency Board or the Groundwater Sustainability Plan Advisory Committee may view/participate in this information session. **No MGA Board or Committee actions will be taken.**

INFORMATION ON THE ENRICHMENT SESSION

This information session will be led by staff from Montgomery & Associates, the technical consultants developing the groundwater model for the Santa Cruz Mid-County Basin which is informing the development of the Groundwater Sustainability Plan. Topics will include:

- Purpose of Groundwater Modeling
- Model Calibration
- Water Budget
- Baseline Model Assumptions (land use, projected water demand, climate change, and sea level rise)
