Business and Institutional Members Needed for Groundwater Sustainability Plan (GSP) Advisory Committee

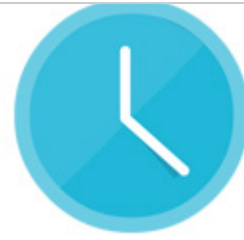

The Santa Cruz Mid-County Groundwater Agency (MGA) is recruiting members for its Groundwater Sustainability Plan (GSP) Advisory Committee. This recruitment is targeted at business and institutional water users with a stakeholder interest in the Santa Cruz Mid-County Groundwater Basin. Members of the business community and people representing large institutional water users are encouraged to apply. **Applications are due by 4:00 pm on Tuesday, August 22, 2017.** Committee members will represent basin water users and develop the MGA's Groundwater Sustainability Plan. They will advise the MGA Board on sustainability goals, project funding and plan implementation. To see the Santa Cruz Mid-County Groundwater Basin boundary, please check our [interactive map](#).
